The screenshot shows the Kinopoisk website interface. On the left, there's a sidebar with navigation links like Главная, Онлайн-кинотеатр, Фильмы, Серии, Телеканалы, Спорт, Подиумы, Билеты в кино, and Медиа. The main content area features a movie poster for "Оранжурка" (Orange You Glad) with a "Смотреть" (Watch) button. Below it, there's a section titled "Что смотреть на стримингах и в кино" (What to watch on streaming and in theaters) displaying several movie and TV show posters, each with a "Смотреть" button. A "Мон сервисы" (My services) link is also visible. The right side of the screen shows a DevTools performance analysis for the page. It includes a summary score of 35, a chart showing performance metrics (35, 72, 78, 92), and a detailed breakdown of the page's load performance.
